Gentlemen:

Your attention is invited to the fact that the statistical report required by law covering your fishery operations in Alaska in 1922 has not been received. Inasmuch as there is immediate need for that information it is desired that you submit promptly a separate report for each plant operated by you, the necessary forms for that purpose having been sent to you some time ago. Additional forms, if needed, can be obtained at the office of the Bureau of Fisheries, 1217 L. O. Smith Building, Seattle, Washington.

Very truly yours,

Henry O'Malley.

Commissioner.
